COMMENCEMENT

2020

Donald J. Edwards
Chairman of the Board of Trustees

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus, I am honored to bring greetings and congratulations to the Class of 2020.

Although it has been quite a few years since my own graduation, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future would hold. That feeling is both understandable and, for you, filled with more unknowns than anyone could have imagined just a few months ago.

To be sure, you have been uniquely challenged by the COVID-19 pandemic. You have both my admiration and respect for the ways you have responded as you took your final steps toward your degrees. I have truly been humbled, and proud, to see you continue to strive toward your future as instruction moved online, friends and colleagues scattered across the globe, and the changes thrust upon you tested your initiative and your resolve.

So what can I say to you today, knowing that you have already accomplished so much in the face of adversity?

It is this: Whatever lies ahead, like everyone who has ever earned a degree from the University of Illinois, you have laid an incredibly strong foundation for the future you will build.

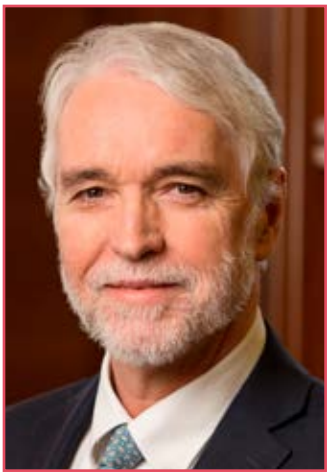
The world-class education you received here, in and out of the classroom, has provided you with the knowledge and skills to succeed and flourish. And the world, challenged as it has not been in a long time, needs you now. It is time to take that education and make your mark.

As you take your next steps, know, too, that you carry a bond that forever connects you to your years working toward this moment. You are joining one of the world's largest alumni networks—nearly 750,000 strong from across the U of I System's three, best-in-class universities.

As our alumni do now, I hope you will carry our flag with pride, with your successes adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps.

When the time comes that we are all able to gather again, I hope you will come back to your campus often—to share your achievements, your experiences and your insights. And, as you are out there changing the world for the better, know that all of us you have left behind will be working for you, ensuring that the value and prestige of your degree continues to grow.

Congratulations again, Class of 2020!



Tim Killeen
President

Congratulations, Class of 2020!

Your class has carved a special place in the history of the University of Illinois System, and not because you are the first to have its commencement put on hold in the over 150 years since our founding.

You will be remembered for the extraordinary character you have displayed during a crisis unlike any our world has seen in generations.

You are resilient—shifting gears seamlessly as the COVID-19 pandemic shifted your traditional, on-campus classrooms to online and distance learning, almost overnight.

You are understanding and selfless . . . giving up the last few weeks of college as you knew it during your very last year on campus.

And you are role models . . . setting an example through your sacrifices that inspired others to follow and build on the social distancing that is essential to slow COVID's spread and restore the lives we appreciate now more than ever.

Those qualities will carry you far in your new life journey that begins tomorrow. And you are primed to flourish, thanks to the talents and civic-minded spirit you nurtured here that will lift not just your own careers, but your families and your communities.

But, first, take some time to reflect on everything you've accomplished…the lessons you have learned here and the friendships you have made that have shaped you and opened the doors to your dreams.

There are a small handful of milestone days in life that you will never forget. From my own experience and from the beaming faces I have watched at more than 30 years of commencements, I can tell you that your graduation is one of them. So I hope you savor every minute of it.

On behalf of everyone across our state's flagship university system, it is an honor to celebrate you, joined by the proud family and friends who have supported you along the way.

I hope the lessons you carry away from this world-class university exceed the high expectations that brought you here, and guide you to the future you imagined.

Enjoy your day and come back often.

Michael D. Amiridis
Chancellor

Dear 2020 Graduates:

Each year, I have the honor to write a letter to our newest graduates that is printed in the commencement ceremony program—to congratulate you on your success in meeting the demands of your academic career at the University of Illinois at Chicago. Every year, the programs are placed on your seats waiting for you, as you've gathered with your families, friends, and fellow students for the university to formally recognize your accomplishments by conferring your degrees.

Today, while nearly everything has changed due to the pandemic, nothing changes your achievements over the course of your studies at UIC.

This singular day in your lives rises above the necessary isolation that has kept us apart during this most important time of the year—your graduation. But that cannot silence the joy your families, friends, fellow students, and professors all share with me in honoring your hard work and the sacrifices you've made to attain your degrees. We are proud of you, as you must be of yourselves, and I will be waiting to celebrate together in person when the conditions allow us to do so.

You have reached the end of this stage of your journey as students. Many of you are the first in your family to attend college, and many of you have worked one or more jobs to pay for your education. You have been challenged to reach your highest potential, and even in the face of an unprecedented health crisis, we celebrate your success. You are now part of our alumni community and the next generation of UIC ambassadors.

During this uncertain time, I have every confidence that your future accomplishments will make a difference in people's lives. That is the UIC legacy. I urge you to remain close to UIC and to share your future experiences with your university.

Congratulations Class of 2020!

This program contains official lists of names of graduates who received degrees in summer and fall 2019 from colleges that did not participate in fall commencement and unofficial lists of names of candidates for spring 2020 graduation. The names of spring 2020 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois at Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

The following symbols are used in this program:

* **College Honors**

† **Cum Laude**

‡ **Magna cum Laude**

§ **Summa cum Laude**

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in spring 2020 Commencement ceremonies honoring students who earned degrees summer and fall 2019 and spring 2020.

Summa cum Laude ("Highest praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for spring 2020 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

John Marshall Law School also awarads Latin honors with the top 1 percent of the JD graduating class earning summa cum laude, the top 4 percent earning magna cum laude, and the top 15 percent earning cum laude.

Doctoral (all Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, Doctor of Philosophy, and Doctor of Physical Therapy) and master's (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.
